WHO: Everyone is invited to this free event.

WHY: West Valley City Animal Services is excited to announce the first annual Pet Fest at the West Valley City Animal Shelter on Saturday, September 24. The event will include a "best dressed" pet competition, free pet tags for the first 100 guests, information displays from community organizations, youth activities, discount adoption vouchers and much more.

The West Valley City Animal Shelter opened September 14, 2009. It is dependent on community and business donations in order to care for approximately 4,800 cats and dogs annually. Residents are invited to attend Pet Fest to become more acquainted with the animal shelter and the services it provides to the residents of West Valley City and the City of Taylorsville.

"It is because of the prime location of the West Valley City Animal Shelter that we are increasing adoptions and saving animal lives," said Kelly Davis, Director of Animal Services for West Valley City. "We invite everyone to come out to this event and have a fun day in the park with their families and pets."
